

Members who have received a denial notice (i.e. Integrated Denial Notice) should follow the directions on that letter when submitting an appeal or information in the Member Evidence of Coverage (EOC). Failure to submit timely and to the correct location can delay your appeal from being processed.

This form is to be used on all Medicare Member liability appeals only. You do not have to use this form. We provide this form to help you submit the information we need to properly review your appeal.
